

Prairie Debut is a Canadian classical and world music touring network that focuses on bringing the highest artistic standard of artists to communities in Western Canada. These touring activities develop the artists' careers and strengthen their national profile.

Through our 17 years, Prairie Debut has supported some of Canada's best emerging and established musicians by providing performance opportunities, exposure and experience and connecting them with thousands of people across the Prairies. While on tour, Prairie Debut artists perform full length concerts and also provide music education to school students and various outreach activities.

With Prairie Debut, the communities have access to artists of excellent calibre. In doing so, Prairie Debut contributes to the quality of life in the communities it serves.

Since our first tour in 1997, Prairie Debut has taken 104 artists on 41 tours to 65 communities throughout the Prairie Provinces and Yukon. With over 485 concerts, Prairie Debut has had an incredible impact on Western Canada's arts community.

BIOGRAPHY

Internationally renowned for their warm and engaging stage presence, impeccable musicianship, and unique perspective on ensemble singing, musica intima has earned a reputation as Canada's most exciting vocal ensemble. Founded in 1992, musica intima has become an integral part of Vancouver's cultural fabric. Lloyd Dykk of the Vancouver Sun says "the flexibility and agility that are a function of their small size is partly what makes them so exciting." But what makes musica intima truly unique is that they rehearse, perform and function as a collective. In rehearsal, they exchange ideas freely while exploring their own musical creativity. In performance, they engage the audience with a spontaneity and directness all their own.

musica intima has released six recordings with the ATMA label including clear (2002), invocation (2004), forgotten peoples (2006), o nata lux (2008), into light (2010) - which won Classical Recording of the Year (2010) at the Western Canadian Music Awards, was nominated for two Juno awards, and received a 10-star review in BBC Music Magazine- and 20 (2012) which acts as a "greatest hits" album commemorating their two decades. Two earlier releases have received nominations, including Juno-nominated disc musica intima (1998) and CBC records release nativité (2002), also nominated for a Western Canadian Music Award. "Each voice in Vancouver's youngest professional vocal ensemble is a hand-blown ornament streaked with gold."
